## American Heart Association

*To be a relentless force for a world of longer, healthier lives.*

### Kentucky Public Policy Agenda 2019-2020

#### State Policies:

- **Tobacco Free** – Tobacco 21 - Raise the minimum legal sale age for all tobacco products to 21 years.
- **Tobacco Free** – Tobacco Control Program Funding- Seeking a \$10 million increase in prevention and cessation funding from the KY General Assembly.
- **Healthy Eating and Active Living** – Strengthen nutrition, physical activity and screen time standards in early childcare facilities.

#### Local Policies:

- **Active Living** Lexington- Create a complete street policy to ensure all road construction and reconstruction projects are safe and convenient for diverse users and all modes of transportation.
- **Active Living** - Louisville- Strengthen Louisville's complete street policy to ensure it addresses health equity, transparency and community input.
- **Tobacco Free** - Smoke free Air Hazard- smoke free policy in Hazard, KY ensuring 100% smoke free workplaces.
